Tuesday Youth Language Table

On Tuesday's the Boys & Girls Club of Gitchigami has partnered with Red Cliff Native Connections to host Youth Language Table. Mark Gokee Jr helps run the language table along with other staff from Native Connections and from the Club. The youth that attend learn Ojibwa language, in fun and exciting ways! They also get chances to win some cool goodies from Native Connections. Mark Gokee Jr would like to thank everyone that has taken part and those that will be taking part.

We are excited to host this at the Boys & Girls Club and to watch it grow more every time!
