Welcome to YOUR Northland College Experience!!!

STAR camp at Northland College is an outdoor adventure-based day camp (*for students who have completed 5th, 6th, & 7th grade*) that focuses on all of the wonderful and exciting ways to learn in and experience the outdoors right here in the Chequamegon Bay area. Some of the activities planned are: pop bottle rockets and egg drops (what would STAR camp be without these?!), outdoor adventures, cultural awareness about Ojibwe arts and language, ultra-fun science demonstrations and a wide variety of physical activities. Day camp can offer almost all of the benefits of traditional camp—new experiences, skill building, a sense of community and lasting friendships — in rural and urban settings while allowing students to return home each afternoon. Students will have plenty of chances to get outside, dig in, and explore the outdoors. We had so much fun over the last 4 years with over 100 students going through the program—we are planning new and exciting experiences for this summer! Please join us!

General Schedule for STAR Camp:

****Camp ends at 1:30pm.****
