Assumption of Risks:

I understand that physical activity related to basketball, by its very nature, carries with it certain inherent risks that cannot be eliminated regardless of the care taken to avoid injuries. Some of these involve strenuous exertions of strength using various muscle groups, some involve quick movement involving speed and change of direction and other involve sustained physical activity, which places stress on the cardiovascular system. The specific risks vary from one activity to another, but in each activity the risks range from: 1) minor injuries such as scratches, bruises and sprains to 2) major injuries such as fractures, internal injuries, joint and back injuries, heart attacks and concussions to 3) catastrophic injuries including paralysis and death. I understand that the Tribe has advised me to see the advice of my physician before participating in this activity. I understand that I have been advised to have health and accident insurance in effect and that no such coverage is provided for me by my family. **I KNOW, UNDERSTAND, AND APPRECIATE THE RISKS THAT ARE INHERENT IN THE ABOVE-LISTED PROGRAMS AND ACTIVITIES.
