

FOOD SHARE AFFECTED – PLEASE READ:

NOTE: FOOD SHARE CLIENTS THAT HAVE A REVIEW DUE BY 1/31/19 MUST HAVE THIS REVIEW DONE, OR THEY WILL NOT RECEIVE THEIR FEBRUARY BENEFITS AND THEIR FOOD SHARE WILL BE DELAYED WITH THE GOVERNMENT SHUTDOWN.

Clients have until January 16th to do their reviews

The States must issue and make available to customers the February Food Share benefits by January 20th. What this means is that the State will not be staggering the issuance in February using customer's SSN as we always do.

The benefits must be issued and must be made available to customers by the 20th. This will require some educating of our customers as they will need to budget accordingly because the hope would be that come March, the Government will be back up and running as normal.

If anything changes we will let the community know
