Update to Chapter 16, Tribal Business License and Tax Law

On September 23, 2014, the Red Cliff Tribal Council adopted revisions to Section 16.2.1, Red Cliff Code of Laws regarding business licenses. Applications for business licenses to operate within the Reservation boundaries are to be made to the Red Cliff Legal Department on or before May 1, 2015. Approved licenses will be valid through April 30 of the following year. Licenses for existing business owners with no material change to their business may be approved by the Legal Department.

The Tribal Council also approved a new business license application on May 4, 2015. Please contact the Red Cliff Legal Department to request or pick-up the new “Application for Permit Pursuant to Chapter 16-Business License and Tax Laws,” 715-779-3725.

To learn more about how Red Cliff laws regulate businesses within the Red Cliff Reservation, please review Chapters 16, RCCL, available on the Red Cliff website under the “Tribal Government” heading (http://redcliff-nsn.gov/Government/chapters_table_contents.htm).
