Dear Tenant:

Because you are on our 2014-2015 snowplowing list, RCHA Maintenance will require that all vehicles be parked either in your garage, if applicable, or as close to your dwelling as possible. This makes it easier for them to push and maneuver the snow in a way that will keep the driveways & parking lots clear of as much snow as possible.

Also be advised that snow removal will ***only be done when at least 3 inches of snow has fallen***. You can expect to be plowed out ***within 24 hours after a snowfall. Furthermore, it may take Maintenance longer than usual to get to your residence due to the amount of snowfall.***

ALL tenants: Are responsible for shoveling their own sidewalks, porches, decks and walkway paths.

ALL tenants: It is your responsibility to remove the snow around the perimeter of your vehicles.

Obstructed driveways will not be plowed and it is your responsibility to remove your own snow.

If you have questions, please contact this office at 715-779-3744.

Sincerely,

RCHA Maintenance Department
