*Public Utilities Providers include but are not limited to:*

- *Xcel Energy*
- *Bayfield Electric*
- *Charter Communications*
- *CenturyLink*

- *ABC Satellite - Dish*
- *Direct TV*

*While the Tribe seeks a systematic resolution to this issue the membership may take affirmative measures to prevent further collection of state taxes by properly completing a Wisconsin Sales and Use Tax Exemption Certificate, Form S-211 which is available online at; [www.revenue.wi.gov/forms/sales/s-211.pdf](http://www.revenue.wi.gov/forms/sales/s-211.pdf) and sending the form to the provider. Members may contact the Legal Department for assistance on properly filling out the form.*

*This form will also be available to the membership at the Red Cliff Legal Department; located @ 37290 Community Rd. Members can pick up the form in person or request a copy by mail or email by calling (715) 779-3725.*
