

## **VETERANS SERVICE OFFICE**

**We have suspended office visits in the interest of Veteran health.**

However, our commitment to provide services to our Veterans and their families continues. Office hours remain the same (8am – 4pm) as we can stay in contact via phone, facetime, email, Facebook, skype, etc.

These modified operations will remain in effect through at least April 13, 2020, but may require further adjustment as circumstances develop.

Thank you for your patience and consideration.

Michelle Anderson
