

# JOB SKILLS TRAINING

UMOS National Farmworker Jobs Program (NFJP) is offering financial assistance to eligible migrant and seasonal farmworkers who want a career in welding. Advanced Welding Institute's full-time **Structural Welding Program** is designed to train you on how to perform welding of plates in all positions. Training aligns with industry standards using the American Welding Society (AWS) codes.

**UMOS**  
*Building Better Futures*

The NFJP is funded by the US Department of Labor/Employment & Training Administration with Workforce Innovation & Opportunity Act (WIOA) funds. NFJP is an equal opportunity service program.

## Advanced Welding Institute Eagle River, Wisconsin

### Structural Welding Program Information

# JOB SKILLS TRAINING

## CDL/Truck Driving Training

UMOS National Farmworker Jobs Program (NFJP) is offering financial assistance to eligible migrant and seasonal farmworkers who want a career in commercial truck driving. UMOs works with reputable schools which provide short-term **Commercial Truck Driving** training. Upon successful completion, students will receive their 'Class A' Commercial Driver's License (CDL).

**UMOS**  
*Building Better Futures*

The NFJP is funded by the US Department of Labor/Employment & Training Administration with Workforce Innovation & Opportunity Act (WIOA) funds. NFJP is an equal opportunity service program.

### Training Program Information

#### REPUTABLE TRAINING PROVIDERS:
